Dear Valued American Coach Customer:

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

REV Recreation Group Inc. has decided that a safety defect relating to motor vehicle safety exists on **certain** products within model year 2016 - 2023 American Coach brand motorhomes.

American Coach Product

Model Year(s) 2016 - 2023 American Eagle

Manufactured date range

WHAT IS THE PROBLEM?

On motorhomes affected by this recall campaign, the factory installed rear air deflector located at the top of the rear fiberglass cap may work loose and disconnect over time.

Identify any warning which can precede or occur: If the rear air deflector were to detach, it could present a road hazard increasing the risk of crash.

WHAT SHOULD YOU DO?

REV Recreation Group recommends that you please make certain your motorhome is immediately inspected and repaired by contacting an **authorized REV Recreation Group servicing dealer**.

Note: This recall replaces recall 190709REV (NHTSA Recall # 19V529). Vehicles that were repaired under that recall also require this second repair.

For assistance locating an **authorized REV Recreation Group servicing dealer**, please call REV Recreation Group Owner Relations toll-free at: **(800) 322-8216**

WHAT WILL REV RECREATION GROUP DO?

With your continued satisfaction in mind, it is our intention to have these repairs made at your convenience with as little disruption as possible. Effective immediately, REV RV dealers have been supplied with all the information needed to enable them to inspect and replace the rear air deflector mounting brackets.

The repair should take approximately one and a half (1.5) hours to complete; however, because of service scheduling times, your dealer may need the vehicle for a longer period of time. This service will be performed for you free of charge.

When you deliver your motorhome for repairs, your dealer will complete a **Repair Order**. Upon completion of the repair, please sign the **Repair Order** and fill out the enclosed self-addressed **Vehicle/Owner Information Update Card** and return it to REV Recreation Group.

If you have changed your address or sold the motorhome, please take a moment to provide the name and address of the person or dealership you sold it to on the enclosed **Vehicle/Owner Information Update Card** and return it to REV Recreation Group. This will allow us to update our records and if necessary, notify the new owner using the information you provide.
