

IMPORTANT SAFETY RECALL

January 2024

This notice applies to your vehicle, **VIN:** _____

Dear General Motors Customer:

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act.

General Motors has decided that a defect, which relates to motor vehicle safety, exists in certain 2020-2023 model year Chevrolet Bolt EV vehicles that were included in GM recall 22V930 (N222383790). As a result, GM is conducting a safety recall. We apologize for this inconvenience. However, we are concerned about your safety and continued satisfaction with our products.

<p>IMPORTANT</p> <ul style="list-style-type: none"> • Your vehicle is involved in GM recall N232421970. • Schedule an appointment with your GM dealer. • This service will be performed for you at no charge.
--

Why is your vehicle being recalled? The GM dealership that serviced these vehicles in connection with GM recall 22V930 (N222383790) may not have performed the recall remedy procedure. If the recall remedy was not performed, and a crash occurs that causes the seatbelt pretensioner to deploy, a fire may develop in the area near the B-pillar, which may increase the risk of injury.

What will we do? Your GM dealer will inspect left and right front seatbelt pretensioners and, if necessary, install metal foil at the carpet near the pretensioner exhaust. This service will be performed for you at **no charge**. Because of service scheduling requirements, it is likely that your dealer will need your vehicle longer than the actual inspection and service correction time of approximately 1 hour and 15 minutes.

What should you do? You should contact your GM dealer to arrange a service appointment as soon as possible.

Do you have questions? If you have any questions or concerns that your dealer is unable to resolve, please contact the appropriate Customer Assistance Center at the number listed below.

For the hearing or speech impaired, please contact our Customer Assistance Center using the Telecommunication Relay Service by dialing 711 then providing the appropriate Customer Assistance Center number for your vehicle.
