- This repair will be provided free of charge.

Dear Freightliner Sprinter Owner:

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act.

Mercedes-Benz AG ("MBAG"), the manufacturer of Freightliner Sprinter vehicles, has decided that a defect which relates to motor vehicle safety exists in certain Model Year 2019-2021 Freightliner Sprinter vehicles. **Our records indicate that your vehicle is included in the affected population of vehicles.**

What is the issue?

The longitudinal frame members of the body-in-white might not meet specifications. Missing reinforcement fasteners might lead to damage in the rear area of the longitudinal frame members, which could result in driving instability, increasing the risk of a crash. In addition, in the event of a crash, vehicles equipped with a bench seat in the 3rd row, the seat mountings could fail, increasing the risk of injury.

What will your Freightliner Dealer do?

As a precautionary measure, an authorized Freightliner Sprinter dealer will check the longitudinal frame members on the affected vehicles and repair them, if necessary.

This could take approximately 2 consecutive days. This service will be provided free of charge. You may be asked for your 17-digit Vehicle Identification Number (VIN) which for your convenience is located above your name at the top of this letter.

Steps to take.

For additional information and to schedule an appointment, please contact your preferred authorized Freightliner Sprinter dealer at your earliest convenience. To locate the nearest Freightliner Sprinter dealer, visit

<https://www.freightlinersprinterusa.com/en/freightliner-service-centers> or call 1-800-367-6372.

Please mention you are scheduling an appointment to Inspect Frame Reinforcements under **Recall Campaign #2024010007**.

If you have already paid to have this recall condition corrected, you may be eligible to receive reimbursement. Requests for reimbursement may include parts, labor, fees, and taxes. Reimbursement may be limited to the amount the repair would have cost if completed by an authorized Freightliner Sprinter dealer. Please see the following page for more information.

A VIN-based recall lookup tool on our website offers a search feature that will indicate whether a vehicle has been subject to a safety recall, and whether that vehicle has had the free remedy performed. Please visit <https://www.freightlinersprinterusa.com/en/recall-information>. Should you have any questions, please contact your authorized Freightliner Sprinter dealer. We apologize for any inconvenience this may have caused and look forward to taking care of this important safety issue immediately.

Sincerely,

Reimbursement to Customers for Repairs Performed Prior to Recall

If you have already paid to have this recall condition corrected, you may be eligible to receive reimbursement. Requests for reimbursement may include parts, labor, fees and taxes. Reimbursement may be limited to the amount the repair would have cost if completed by an authorized Freightliner Sprinter dealer. The following documentation must be presented to your dealer for reimbursement.

Original or clear copy of all receipts, invoices and/or repair orders that show:

- The name and address of the person who paid for the repair.
- The Vehicle Identification Number (VIN) of the vehicle that was repaired.
- What problem occurred, what repair was done, when it was done and who repaired it.
- The total cost of the repair expense that is being claimed.
- Proof of payment of repair (copy of front and back of cancelled check or copy of credit card receipt).
- Reimbursement will be made by check from your dealer. If your claim is denied you will receive a letter from DVUSA within 60 days of receipt with the reason(s) for the denial.
