IMPORTANT SAFETY RECALL

Dear Customer:

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act.

Battle Motors, Inc has decided that a defect, which relates to motor vehicle safety, exists in certain 2023-2024 model chassis. The recall has been assigned number 23V-902.

A copy of our December 27, 2023, Defect and Noncompliance Information Report submission to NHTSA can be found on the NHTSA website (<https://www.nhtsa.gov/recalls>) under recall number 23V-902. As required by law, Battle Motors, Inc. provided NHTSA a list of all vehicles affected. One or more of your company's vehicles may be affected by this recall.

IMPACTED PRODUCT

This recall includes all 2023-2024 LET2 model chassis equipped with the drag link assembly - part numbers 076C-0075 and 076C-0077 - manufactured between December 13, 2022, and December 27, 2023, inclusive.

Affected draglinks can be identified by measuring the outside diameter of the component. The defective draglink tube will measure exactly 48 mm outside diameter when checked with a vernier caliper.

This action does not affect draglinks manufactured prior to or after the stated dates.

PROBLEM DESCRIPTION

Battle Motors, Inc. has determined that the drag link connecting the steering gear to the roadside steering knuckle may become deformed or break. A broken drag link can cause a complete loss of steering control, increasing the risk of a crash. Battle Motors had a failed quality control process, which led to the purchasing of an unapproved component.

It is important to note, the operator will notice a significant reduction in the steering turn radius prior to a catastrophic failure.

WHAT WE WILL DO

Battle Motors, Inc. will remedy the defect of the impacted draglink assembly with parts from a later build range that do not have the potential defect.

SAFETY RECALL NOTICE

IMPORTANT SAFETY RECALL INFORMATION
Issued in Accordance
With Federal Law

Finally, please note that we are directing impacted vehicle owners to work through their vehicle dealer to obtain this recall remedy.

WHAT YOU NEED TO DO

Please contact your selling dealer and schedule an appointment to have the suspected vehicles inspected by one of their trained service professionals.

Our records indicate that your company purchased the following suspect chassis from BATTLE MOTORS, INC.:

If your dealer fails or is unable to remedy this defect without charge, or within a reasonable amount of time, you may submit a written complaint to:

Administrator
National Highway Traffic Safety Administration
1200 New Jersey AVE SE
Washington, DC 20590

You may also call the toll-free Vehicle Safety Hotline at 1-888-327-4236 (TTY: 1-800-424-9153); or go to <http://www.safercar.gov>.

WHAT IF YOU ARE A LESSOR?

Federal law requires that you forward a copy of this safety recall notice to the lessee within 10 days.

WHAT IF YOU NO LONGER OWN THE VEHICLE?

If you no longer own the vehicle, please contact Customer Assistance at (888) 328-5443.

We value our business relationship with you. We regret the inconvenience that may result from these circumstances, and we sincerely appreciate your understanding and cooperation in this matter. If you have any questions or require more information, please do not hesitate to reach out to your Battle Motors, Inc. Regional Service Manager directly. You may also contact us via email at service@battlemotors.com, or by telephone at (888) 328-5443, option 1. Battle Motors, Inc. Customer Service Representatives are ready to assist you Monday-Thursday, 8:00 a.m. - 5:00 p.m. ET.

Sincerely,

Michael Cox
Vice President of Service
