SAFETY RECALL

2023 CMX300/A Right Crankcase Cover Replacement

BACKGROUND

Honda is launching a **SAFETY RECALL** on **CERTAIN 2023 CMX300/A** motorcycles to replace the right crankcase cover due to a possible manufacturing defect. A press fit oil galley plug on the right crankcase cover may loosen, resulting in engine oil loss and increasing the risk of a crash injury.

AFFECTED UNITS

As of April 6, 2023, **YOU MUST NOT SELL CERTAIN NEW or USED** 2023 CMX300/A motorcycles until they are repaired according to this Service Bulletin.

- To search for applicable recalls on a specific unit, you **MUST** use *Unit Information* on **iN**.
- To manage your affected new inventory, use your dealer *eResponsibility Report* on **iN**.

CUSTOMER NOTIFICATION

American Honda intends to mail customer letters to all owners of affected 2023 CMX300/A motorcycles in May 2023. Customers will be informed that their motorcycle may be affected by a related defect and will be advised to make an appointment with an authorized Honda dealer for repair.

PARTS INFORMATION

Parts can be ordered through the *Controlled Parts Order* process. An affected vehicle VIN is required to order the Right Cover Assembly kit listed below.

iN > *Parts* > *Parts Order Management* > *Controlled Parts Order*.
