SAFETY RECALL N789: Second Row Seat Armrest Stowage Compartment Latch Failure

Vehicles Affected: 2022- 2023MY Range Rover, 2023MY Range Rover Sport

National Highway Traffic Safety Administration (NHTSA) Recall Number: 23V-324

Dear Land Rover Owner:

This notice is sent to you in accordance with the *National Traffic and Motor Vehicle Safety Act*. Land Rover has decided that certain 2022-2023MY Range Rover and Range Rover Sport vehicles fail to conform to Federal Motor Vehicle Safety Standard No. 201 - Occupant protection in interior impact.

Your vehicle is included in this Recall action.

What is the reason for this program?

The second-row seat armrest stowage compartment latch may fail, allowing the objects from within to be unsecured in the event of a crash. As such, these vehicles fail to comply with the requirements of Federal Motor Vehicle Safety Standard number 201, "Occupant Protection in Interior Impact."

In the event of a crash, unsecured objects from within the armrest compartment may strike the vehicle occupants, increasing their risk of injury.

What are the warning signs of this condition?

In the event the latch fails, the second row seat armrest lid will not remain latched.

Are there any precautions that may be taken to minimize the safety risk until the corrective measures are implemented?

Until such time as the recall remedy is completed, the second row seat armrest stowage compartment should not be used, and any items needing to be stowed should be stowed securely elsewhere in the vehicle.

If you have any questions or concerns, please contact the Service Manager at your authorized Land Rover retailer for assistance.

What will Land Rover and your authorized Land Rover Retailer do?

The locking arm of the second-row armrest stowage compartment latch will be replaced with a component of a revised design and material specification. There will be no charge to the owners for this repair.

Please be advised that Land Rover does not yet have the parts required to complete this repair. When all parts and repair processes are available you will receive a 2nd notification letter.

What should you do?

When you receive the 2nd notification letter, please contact your preferred authorized Land Rover retailer and provide them with your Vehicle Identification Number (VIN) and request a service date to complete the work required under Program Code 'N789'.

Attention Leasing Agencies: If you are a vehicle lessor, Federal Regulations require you to forward this notice to your lessee within TEN (10) days.

How long will it take?

The work will be carried out as quickly and efficiently as possible in order to minimize inconvenience to customers and is expected to take approximately one (1) hour although your retailer may need your vehicle for a longer time. Your retailer can provide you with a better estimate of the overall time for the service visit.

Moved or no longer own this Land Rover vehicle?

If you are no longer the owner of this vehicle, Land Rover would appreciate the name and address of the new owner (if known); please fill out and return the enclosed return postage-paid card.

What should you do if you have further questions?

If you have any questions or concerns regarding this Program, please contact the Service Manager at your authorized Land Rover retailer for assistance. If you have any queries or concerns that your local Retailer cannot address, please contact the Land Rover Customer Relationship Centre at 1-800-637-6837, **Option 9**, and one of our representatives will be happy to assist you.
