

IMPORTANT SAFETY RECALL

September 2023

This notice applies to your vehicle, **VIN:** _____

Dear General Motors Customer:

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act.

General Motors has decided that a defect which relates to motor vehicle safety exists in certain 2022-2023 model year Chevrolet Bolt EV vehicles. As a result, GM is conducting a safety recall. We apologize for this inconvenience. However, we are concerned about your safety and continued satisfaction with our products.

IMPORTANT

- Your vehicle is involved in GM safety recall N232414710.
- **As a precaution, do not occupy the front-passenger seating position until the recall repair is completed.**

Why is your vehicle being recalled?

General Motors has decided that a defect which relates to motor vehicle safety may exist in certain 2022-2023 model year Chevrolet Bolt EV vehicles. The instrument panels in these vehicles may have been manufactured without the perforation on the underside of the panel cover that allows the passenger-side airbag to properly deploy. If the perforation is missing, the passenger side airbag may not properly deploy in a crash, increasing the risk of injury.

What will we do?

Parts to repair your vehicle are not currently available, but when parts are available, your GM dealer will replace the instrument panel. This service will be performed for you at **no charge**.

We are working as quickly as possible to correct this condition. When parts are available, we will send you another letter asking you to take your vehicle to your GM dealer to have your vehicle serviced. You can also check the status of this recall at: <https://my.gm.com/recalls>.

Do you have questions?

If you have any questions or concerns that your dealer is unable to resolve, please contact the EV Concierge at 1-833-EVCHEVY (1-833-382-4389) (TTY 711 / 1-800-833-2438).

For the hearing or speech impaired, please contact our Customer Assistance Center using the Telecommunication Relay Service by dialing 711 then providing the appropriate Customer Assistance Center number for your vehicle.

If after contacting your dealer and the Customer Assistance Center, you are still not satisfied we have done our best to remedy this condition without charge and within a reasonable time, you may wish to write the Administrator, National Highway Traffic Safety Administration, 1200 New Jersey Avenue, SE., Washington, DC 20590, or call the toll-free Vehicle Safety Hotline at 1.888.327.4236 (TTY 1.800.424.9153), or go to <http://www.nhtsa.gov>.
