Second Interim OWNER NOTIFICATION

NHTSA Recall 23V-581

Segunda NOTIFICACIÓN PROVISIONAL AL PROPIETARIO

This notice applies to your vehicle, [VIN].

Dear Nissan Sentra Owner:

This second interim notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act. Nissan has decided that a defect which relates to motor vehicle safety exists in certain 2020 Model Year Nissan Sentra vehicles. Our records indicate that you own or lease the Nissan vehicle identified by the VIN above and on the inside of this notice.

Reason for Recall

Motivo del Retiro

Certain 2020-2022 Sentra vehicles may be equipped with a tie rod that may have insufficient strength in specific real-life situations, like hitting a pothole or a curb. If a tie rod bends, this condition may impair your ability to steer the vehicle. You may notice the steering wheel may be off-center and/or experience vibration. If the tie rod breaks, it can lead to a loss of steering control and increase the risk of a crash.

What Nissan Will Do

Qué Hará Nissan

Nissan is continuing to prepare parts to remedy your vehicle. The remedy for this recall is now anticipated to be available in Fall 2024. When the final remedy is available, Nissan will send you a third letter asking you to bring your vehicle to a Nissan dealer for repair, which will be free of charge for parts and labor.

What You Should Do

Qué Debes Hacer

If you notice your steering wheel is off-center and/or you experience vibration, please contact your local Nissan dealer for immediate inspection and instructions on how to transport your vehicle to the dealership. If the inspection deems a remedy is needed, the dealer will replace both the left-hand and right-hand tie rods. This service, which is

conducted at no charge to you for parts and labor, could take up to two and one half (2.5) hours to complete, or alternative transportation may be available.

Si nota que su volante está descentrado y/o experimenta vibraciones, comuníquese con su concesionario Nissan local para una inspección inmediata e instrucciones sobre cómo transportar su vehículo al concesionario. Si la inspección considera que se necesita una solución, el distribuidor reemplazará los tirantes izquierdo y derecho. Este servicio, que se realiza sin costo alguno para usted por piezas y mano de obra, podría tardar hasta dos horas y media (2,5) en completarse, o es posible que haya transporte alternativo disponible.
