

**IMPORTANT SAFETY RECALL RVXX2312  
NHTSA RECALL # 23V-769 INTERIM**

This Notice applies to your vehicle, see enclosed “Notice of Vehicle Recall”

**DEAR VOLVO TRUCK OWNER:**

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act.

Volvo Trucks North America has decided that certain 2019- 2024 VN and VHD vehicles manufactured from January 02, 2018 through October 20, 2023 fail to conform to Federal Motor Vehicle Safety Standard numbers 207, "Seating Systems" and 210, "Seatbelt Assembly Anchorage."

*This is an interim letter since the Repair parts and remedy procedures are not available and being developed at this time. The purpose of this letter is to explain what the recall is about and to keep you informed of Volvo’s implementation plan. We are currently working to secure parts to implement the Safety Recall remedy. We will send you another notification when the remedy is available.*

**SAFETY DEFECT:** On certain trucks equipped with an optional passenger-side bench seat, the seat may not be properly attached to the floor. As a result, the seat could move or detach in a crash.

**SAFETY RISK:** In the event of a crash, the passenger side bench seat attachment to the floor could fail, increasing the risk of injury.

**PRECAUTIONS YOU CAN TAKE:** There are no precautions you can take other than having your vehicle repaired by a Volvo Parts and Service Center. When the parts are available, Volvo will notify owners by mail with a second letter and advise you to take your truck to a dealership to install an existing weld nut and replace it with a two nut and washer combination which provides adequate strength. Recall repairs will be performed at no cost to you.

**TIME REQUIRED FOR THE REPAIR:** The time required to repair your vehicle is approximately 4 hours.

**WHAT YOU SHOULD DO:** When you receive notification that parts are available, you should contact the nearest Volvo Parts and Service Center and make an appointment. You can locate the closest Volvo Parts and Service Center by going online to <http://www.volvo.com/trucks/na/en-us/dealers/> and selecting “Dealer Locator” or by calling our toll-free number: (800) 528-6586.
