Dear Mercedes-Benz Owner:

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act.

Mercedes-Benz AG (“MBAG”), the manufacturer of Mercedes-Benz vehicles, has decided that a defect which relates to motor vehicle safety exists in certain model year 2014–2020 C-Class, CLA, GLA, S-Class, GLC, and GLE Coupe vehicles.

Our records indicate that your vehicle is included in the affected population.

What is the issue?

The stationary roof panel located between the windshield and the panoramic sunroof might not have been bonded correctly during a prior repair. As a consequence, the adhesion of the bonding of the front panel to the vehicle body might deteriorate gradually over time which could lead to the front panel partially or fully detaching from the vehicle, which could increase the risk of a crash and/or injury for other road users.

Unfortunately, the remedy is not yet available. We are working to obtain the necessary parts to address this important safety recall as quickly as possible. When the remedy becomes available, we will send you another letter informing you to schedule an appointment with an authorized Mercedes-Benz dealer to have your vehicle repaired, **at no cost to you.**

Should you have any concerns or questions regarding your vehicle before you receive the next letter when the remedy becomes available, please contact 1-(800) FOR-MERCEDES (1-800-367-6372).

We apologize for any inconvenience this may have caused and look forward to taking care of this important safety recall immediately.

Sincerely,
Mercedes-Benz USA
