This notice applies to your solo, [REDACTED]

Dear [REDACTED],

This letter is in follow up to ElectraMeccanica Vehicles Corp.'s ("EMV") recall notification communication dated Feb 21st, 2023, advising owners to stop driving their vehicles and informing that the recall remedy available to you is a vehicle repurchase (buy back). Our records show that you are the owner of a vehicle affected by this recall.

**ELECTRAMECCANICA RECALL REMEDY – REPURCHASE (BUY BACK)**

The recall remedy available to you is a vehicle repurchase (buy back). Until July 15, 2023, EMV will repurchase (buy back) your Solo for the purchase price you paid for the vehicle, including taxes, fees, and shipping. After July 15, 2023, your vehicle will be repurchased for the purchase price you paid for the vehicle, including taxes, fees, and shipping, less a depreciation of 20 percent per year from the date you purchased your vehicle. ElectraMeccanica will arrange for shipment of your vehicle from your location to ElectraMeccanica at no charge to you.

Any lien against your Solo will be deducted from the repurchase amount and sent directly to the lien holder and/or lender. Your repurchase payment amount, therefore, will be the purchase price you paid for the Solo, including taxes, fees, and shipping, less any applicable depreciation and less the lien amount.

Please note that ElectraMeccanica is discontinuing the Solo G2 and G3, including the Solo mobile application for the G3. EMV is also ceasing service of the Solo G2 and G3, stopping support of the vehicle warranty, and no longer providing parts for the these vehicles.

**ELECTRAMECCANICA REPURCHASE OF YOUR SOLO**

According to our records, the purchase price you paid for the Solo, including taxes, fees, and shipping was [REDACTED]. Any lien against your Solo G3 will be deducted from the repurchase amount and sent directly to the lien holder and/or lender. Your repurchase payment amount, therefore, will be the transaction cost of the Solo G3, less any applicable depreciation, and less the lien amount. You will have the opportunity to review the financial terms of EMV's repurchase of your Solo prior to your final acceptance of such offer.
