BMW Safety Recall 23V-449: High-Voltage Battery Combined Charging Unit

**Text**

The high voltage battery Combined Charging Unit (CCU) may not have been produced by the supplier according to specifications. While driving, this could cause an interruption of electrical power, result in stalling, and increase the risk of a crash.

Contact an authorized BMW center immediately to get your vehicle repaired for FREE. Dealer locator: [bmwusa.com/dealer](https://bmwusa.com/dealer).

Advise all drivers of this important information.
