Vehicle information:

VIN

2023 JEEP WRANGLER 4-DOOR SAHARA

Recall information: 84A/NHTSA 23V-565

Visit [recalls.mopar.com](https://recalls.mopar.com) for more information or call the FCA US Recall Team at **1-800-853-1403**

## Details of the Recall

The spare tire carrier on your vehicle may have been built with an incorrect Center High Mount Stop Lamp (CHMSL) bracket assembly. A CHMSL that is partially obstructed may not have adequate conspicuity to other drivers to indicate the intention to slow or stop, which can cause a crash without prior warning. Federal Motor Vehicle Safety Standard (FMVSS) No. 571.108 S6.1.3.1 requires that "Each lamp...must be securely mounted...and in a location where it complies with all applicable photometric requirements in S7.9.13 Photometry. Each high-mounted stop lamp must be designed to conform to the photometry requirements of Table XV." Subject vehicles do not meet these photometry requirements.

FCA US will repair your vehicle free of charge (parts and labor). To do this, your dealer will replace the spare tire carrier assembly. The estimated repair time is 30 minutes. In addition, your dealer will require your vehicle for proper check-in, preparation, and check-out during your visit, which may require more time. Your time is important to us, so we recommend that you schedule a service appointment to minimize your inconvenience.

## How do I schedule my **FREE** repair?

- ◆ Simply contact your Chrysler, Jeep®, Dodge or RAM dealer right away to schedule a service appointment.

*We apologize for any inconvenience, but are sincerely concerned about your safety. Thank you for your attention to this important matter.*
