[REDACTED]

Dear Mercedes-Benz Owner,

According to our records, your model year **2022-2023 Mercedes-Benz AMG G63 4x4²** vehicle may be subject to a recall to replace the rear axle differential housing.

As a valued member of the Mercedes-Benz family and in acknowledgment of the inconvenience you may have encountered during your ownership experience, Mercedes-Benz USA, LLC ("MBUSA"), as a goodwill gesture, would like to provide an extension of the New Vehicle Limited Warranty ("NVLW"), hereafter referred to as "Warranty Extension," which will begin upon completion of the Rear Axle Differential Housing recall campaign (**2024050005** or **2024040012**).

To receive the Warranty Extension, the Rear Axle Differential Housing recall campaign must be completed on your vehicle by an authorized Mercedes-Benz dealership, **on or before March 31, 2025**. All vehicles repaired on or before this date will receive the Warranty Extension of **4 year/50,000 mile** (whichever occurs first), which will be effective on the date and with the mileage that the repair is completed.

Customers who do not have the recall completed on or before **March 31, 2025**, are **not eligible** for the Warranty Extension, and the terms and conditions of the original NVLW of 4 year/50,000 miles will continue to apply. Please note that the **March 31, 2025**, deadline **ONLY** pertains to the Warranty Extension goodwill gesture; you can still complete the recall campaign repair at any time after the deadline, but you will **NOT** receive the Warranty Extension.

For customers who already had the recall campaign completed, the Warranty Extension is now in effect for their vehicles.

Further information on the status of this recall can be provided by visiting our website www.mbusa.com/recall. If the recall has not yet been completed on your vehicle, **please have the recall repair completed on or before March 31, 2025. Any open campaigns will be performed by your authorized Mercedes-Benz dealer FREE OF CHARGE to you.**

If you have any questions, please contact us at **1-(800) FOR-MERCEDES (1-800-367-6372)** or contact your nearest authorized Mercedes-Benz dealer.

We look forward to seeing you soon.

Sincerely,
Mercedes-Benz USA
