Title

BMW Safety Recall 23V-885: Artificial Sound Generator

Text

In certain drive cycles, the external artificial sound generator may not perform as required. This could increase the risk of injury to certain pedestrians who may need this sound to be aware of a nearby vehicle (such as when accelerating / decelerating near an intersection).

Contact an authorized BMW center immediately to get your vehicle repaired for FREE. Dealer locator: bmwusa.com/dealer.

Advise all drivers of this important information.
