**Subject:** Incorrect Tire Identification Number/FMVSS 574

Dear Mr. Cherveney:

This letter serves to acknowledge Goodyear Tire & Rubber Company's notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

**Makes/Models/Model Years:**

GOODYEAR/G622 RSD/225/70R19.5

**Mfr's Report Date:** April 19, 2024

**NHTSA Campaign Number:** 24T-003

**Components:**

TIRES:MARKINGS

**Potential Number of Units Affected:** 82

**Problem Description:**

Goodyear Tire & Rubber Company (Goodyear) is recalling certain G622 RSD, size 225/70R19.5 tires. The tires contain a tire identification number (TIN) that is missing the 4-digit week and year code mark. As such, these tires fail to comply with the requirements of Federal Motor Vehicle Safety Standard number 574, "Tire Identification & Recordkeeping."

**Consequence:**

Missing TIN information can make it difficult for tire owners to identify the tire in the event of a recall, increasing the risk of driving with a recalled tire which could result in a crash.

**Remedy:**

Dealers will replace the tires, free of charge. Owner notification letters are expected to be mailed June 1, 2024. Owners may contact Goodyear customer service at 1-800-592-3267.

**Notes:**

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to [www.nhtsa.gov](http://www.nhtsa.gov).

Please be reminded of the following requirements:

You are required to submit a draft owner notification letter to this office no less than five days prior to mailing it to the customers. Also, copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

Under 49 U.S.C. § 30112(a), it is illegal for anyone, including a manufacturer, distributor, dealer, or retailer to sell an item of equipment or vehicle that fails to comply with all applicable Federal motor vehicle safety standards.

As stated in 49 U.S.C. § 30118(f), submission of eight consecutive quarterly reports followed by three annual reports is required. As described in 573.7, submission of the first of eight consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter. The first of three consecutive annual status reports will be due on, or before, 1 year after the eighth quarterly report was submitted.
