Makes/Models/Model Years:

INFINITI/QX60/2024
NISSAN/PATHFINDER/2024

Mfr's Report Date: March 5, 2024

NHTSA Campaign Number: 24V-176

Components:

SEAT BELTS:PRETENSIONER

Potential Number of Units Affected: 12,019

Problem Description:

Nissan North America, Inc. (Nissan) is recalling certain 2024 Pathfinder and Infiniti QX60 vehicles. The lap belt pretensioner in the left-side front seat belt assembly may be improperly secured, due to a missing rivet. As such, these vehicles fail to comply with the requirements of Federal Motor Vehicle Safety Standard numbers 208 "Occupant Crash Protection," 209 "Seat Belt Assemblies," and 210 "Seat Belt Assembly Anchorages."

Consequence:

An unsecured lap belt pretensioner will not properly restrain an occupant during a crash, increasing the risk of injury.

Remedy:

Dealers will inspect and replace the left-side front lap seat belt pretensioner assemblies as necessary, free of charge. Owner notification letters are expected to be mailed April 18, 2024. Owners may contact Nissan customer service at 1-800-867-7669. Owners may contact Infiniti customer service at 1-800-662-6200. Nissan's numbers for this recall are PD106 and PD107.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to www.nhtsa.gov.

Please be reminded of the following requirements:

You are required to submit a draft owner notification letter to this office no less than five days prior to mailing it to the customers. Also, copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

Under 49 U.S.C. § 30112(a), it is illegal for anyone, including a manufacturer, distributor, dealer, or retailer to sell an item of equipment or vehicle that fails to comply with all applicable Federal motor vehicle safety standards.

As stated in 49 U.S.C. § 30118(f), submission of eight consecutive quarterly reports followed by three annual reports is required. As described in 573.7, submission of the first of eight consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter. The first of three consecutive annual status reports will be due on, or before, 1 year after the eighth quarterly report was submitted.
