Dear Ms. Binkley:

This letter serves to acknowledge Braun Corporation's notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

Makes/Models/Model Years:

BRAUNABILITY/CHRYSLER WHEELCHAIR VAN/2023-2024

Mfr's Report Date: May 17, 2024

NHTSA Campaign Number: 24V-352

Components:
SEATS

Potential Number of Units Affected: 199

Problem Description:

The Braun Corporation (Braun) is recalling certain 2023-2024 Chrysler Voyager vehicles, equipped with certain GO-ES Space Saver Foldaway Seats. The recliner mechanism may not engage when the seat back is fully reclined. As such, these vehicles fail to comply with the requirements of Federal Motor Vehicle Safety Standard number 210, "Seat Belt Assembly Anchorages."

Consequence:

The seat back could release when force is applied to the shoulder belt, increasing the risk of injury during a crash.

Remedy:

Dealers will inspect and repair the seat as necessary, free of charge. Owner notification letters are expected to be mailed May 27, 2024. Owners may contact Braun customer service at 1-800-488-0359.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to www.nhtsa.gov.

Please be reminded of the following requirements:

You are required to submit a draft owner notification letter to this office no less than five days prior to mailing it to the customers. Also, copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

Under 49 U.S.C. § 30112(a), it is illegal for anyone, including a manufacturer, distributor, dealer, or retailer to sell an item of equipment or vehicle that fails to comply with all applicable Federal motor vehicle safety standards.

As stated in 49 U.S.C. § 30118(f), submission of eight consecutive quarterly reports followed by three annual reports is required. As described in 573.7, submission of the first of eight consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter. The first of three consecutive annual status reports will be due on, or before, 1 year after the eighth quarterly report was submitted.

Braun Corporation's contact for this recall will be Hensly Guerra who may be reached by email at hensly.guerra1@dot.gov. We look forward to working with you.
