Subject: Improperly Secured Clutch Pressure Line

Dear Mr. Single:

This letter serves to acknowledge Ford Motor Company's notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

Makes/Models/Model Years:

FORD/MUSTANG/2024

Mfr's Report Date: June 3, 2024

NHTSA Campaign Number: 24V-394

Components:

POWER TRAIN:CLUTCH ASSEMBLY:LINKAGE:HYDRAULIC HOSE/FITTINGS

Potential Number of Units Affected: 8,161

Problem Description:

Ford Motor Company (Ford) is recalling certain 2024 Mustang vehicles. The clutch pressure line may be improperly secured and contact hot exhaust components, which can result in melting of the clutch pressure line and cause a brake fluid leak.

Consequence:

A melted clutch pressure line can result in a loss of drive power, increases the risk of a crash. A brake fluid leak increases the risk of fire in the presence of an ignition source.

Remedy:

Dealers will inspect the clutch pressure line and repair it as necessary, free of charge. Owner notification letters are expected to be mailed June 17, 2024. Owners may contact Ford customer service at 1-866-436-7332. Ford's number for this recall is 24S36.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to www.nhtsa.gov.

We have received Ford's proposed owner notification letter and it is currently under review. You will be notified of any changes or concerns once our review is complete.

Please be reminded of the following requirements:

Copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

Please be reminded that under 49 U.S.C. § 30112(a)(3), it is illegal for a manufacturer, to sell, offer for sale, import, or introduce or deliver into interstate commerce, a motor vehicle or item of motor vehicle equipment that contains a safety defect once the manufacturer has notified NHTSA about that safety defect. This prohibition does not apply once the motor vehicle or motor vehicle equipment has been remedied according to the manufacturer's instructions.

As stated in 49 U.S.C. § 30118(f), submission of eight consecutive quarterly reports followed by three annual reports is required. As described in 573.7, submission of the first of eight consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter. The first of three consecutive annual status reports will be due on, or before, 1 year after the eighth quarterly report was submitted.

Ford Motor Company's contact for this recall will be Dusty Gardner who may be reached by email at dusty.gardner@dot.gov. We look forward to working with you.

Sincerely,
