Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

Makes/Models/Model Years:

RAM/1500/2022

Mfr's Report Date: June 13, 2024

NHTSA Campaign Number: 24V-437

Components:

BACK OVER PREVENTION: SENSING SYSTEM: CAMERA

Potential Number of Units Affected: 1

Problem Description:

Chrysler (FCA US, LLC) is recalling one 2022 Ram 1500 Classic vehicle. The wiring harness may short circuit and prevent the rearview image from displaying. As such, this vehicle fails to comply with the requirements of Federal Motor Vehicle Safety Standard number 111, "Rear Visibility."

Consequence:

A rearview camera image that does not display decreases the driver's visibility, increasing the risk of a crash.

Remedy:

Dealers will replace the wiring harness, free of charge. The vehicle has been remedied. Owners may contact FCA US, LLC customer service at 1-800-853-1403. FCA US, LLC's number for this recall is 65B.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to www.nhtsa.gov.

Please be reminded of the following requirements:

Copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

Under 49 U.S.C. § 30112(a), it is illegal for anyone, including a manufacturer, distributor, dealer, or retailer to sell an item of equipment or vehicle that fails to comply with all applicable Federal motor vehicle safety standards.

As stated in 49 U.S.C. § 30118(f), submission of eight consecutive quarterly reports followed by three annual reports is required. As described in 573.7, submission of the first of eight consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter. The first of three consecutive annual status reports will be due on, or before, 1 year after the eighth quarterly report was submitted.
