Mfr's Report Date: June 27, 2024

NHTSA Campaign Number: 24V-480

Components:

BACK OVER PREVENTION:SOFTWARE

Potential Number of Units Affected: 84,432

Problem Description:

Volkswagen Group of America, Inc. (VW) is recalling certain 2022-2024 Golf R, Golf GTI, 2024 Atlas, and 2024 Atlas Cross Sport vehicles. The rearview camera image may be delayed or deactivated after shifting into reverse. As such, these vehicles fail to comply with the requirements of Federal Motor Vehicle Safety Standard number 111, "Rear Visibility."

Consequence:

A rearview camera with a delayed or deactivated image reduces the driver's view of what is behind the vehicle, increasing the risk of injury or crash.

Remedy:

Dealers will update the infotainment system software, free of charge. Owner notification letters are expected to be mailed August 23, 2024. Owners may contact VW customer service at 1-800-893-5298. VW's number for this recall is 91US.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to www.nhtsa.gov.

We have received Volkswagen's proposed owner notification letter and have approved it for distribution.

Please be reminded of the following requirement

Copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

Under 49 U.S.C. § 30112(a), it is illegal for anyone, including a manufacturer, distributor, dealer, or retailer to sell an item of equipment or vehicle that fails to comply with all applicable Federal motor vehicle safety standards.

As stated in 49 U.S.C. § 30118(f), submission of eight consecutive quarterly reports followed by three annual reports is required. As described in 573.7, submission of the first of eight consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter. The first of three consecutive annual status reports will be due on, or before, 1 year after the eighth quarterly report was submitted.
