Subject: High Voltage Fuse May Cause a Loss of Drive Power

Dear Mr. Bauch:

This letter serves to acknowledge LIVEWIRE EV, LLC's notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

Makes/Models/Model Years:

LIVEWIRE/S2 DEL MAR/2024
LIVEWIRE/S2 MULHOLLAND/2024

Mfr's Report Date: August 12, 2024

NHTSA Campaign Number: 24V-601

Components:

ELECTRICAL SYSTEM:PROPULSION SYSTEM:FUSES, RELAYS, CONTACTS, AND SHUNTS

Potential Number of Units Affected: 788

Problem Description:

LiveWire EV, LLC (LiveWire) is recalling certain 2024 S2 Del Mar and S2 Mulholland motorcycles. The high voltage fuse may degrade and unexpectedly open, resulting in a loss of drive power.

Consequence:

Unexpected loss of drive power increases the risk of a crash.

Remedy:

Dealers will install a high voltage fuse with an increased amperage rating, free of charge. Owner notification letters are expected to be mailed August 2024. Owners may contact LiveWire customer service at 1-855-387-4337. LiveWire's number for this recall is 1003.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to www.nhtsa.gov.

We have received LiveWire's proposed owner notification letter and it is currently under review. You will be notified of any changes or concerns once our review is complete.

Please be reminded of the following requirements:

Copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

Please be reminded that under 49 U.S.C. § 30112(a)(3), it is illegal for a manufacturer, to sell, offer for sale, import, or introduce or deliver into interstate commerce, a motor vehicle or item of motor vehicle equipment that contains a safety defect once the manufacturer has notified NHTSA about that safety defect. This prohibition does not apply once the motor vehicle or motor vehicle equipment has been remedied according to the manufacturer's instructions.

As stated in 49 U.S.C. § 30118(f), submission of eight consecutive quarterly reports followed by three annual reports is required. As described in 573.7, submission of the first of eight consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter. The first of three consecutive annual status reports will be due on, or before, 1 year after the eighth quarterly report was submitted.

LIVEWIRE EV, LLC's contact for this recall will be DeMara Magruder who may be reached by email at demara.magruder@dot.gov. We look forward to working with you.

Sincerely,

Alex Ansley
Chief, Recall Management Division
