Subject: Microwave Connected to Incorrect Circuit

Dear Mr. Van Bronkhorst:

This letter serves to acknowledge Winnebago Towable's notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

Makes/Models/Model Years:

WINNEBAGO/MINNIE/2024-2025

Mfr's Report Date: August 16, 2024

NHTSA Campaign Number: 24V-617

Components:

EQUIPMENT:APPLIANCE:MICROWAVE/VENT HOOD
EQUIPMENT:ELECTRICAL

Potential Number of Units Affected: 210

Problem Description:

Winnebago Towable (Winnebago) is recalling certain 2024-2025 Minnie travel trailers. The microwave may have been incorrectly connected to a 20 AMP breaker, allowing the wire to become overloaded.

Consequence:

An overloaded wire increases the risk of a fire.

Remedy:

Dealers will replace the 20 AMP breaker with a 15 AMP breaker, free of charge. Owner notification letters are expected to be mailed October 11, 2024. Owners may contact Winnebago customer service at 1-574-825-5250. Winnebago's number for this recall is CAM0000037.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to www.safercar.gov.

Please ensure the following requirements are met:

Your company's general reimbursement program has expired. Please upload a new plan on the recall portal. If your company submits one or more general reimbursement plans, your company shall update each plan every two years (§ 573.13). If the vehicles are new and would be covered under the manufacturer's warranty program, please state that in the remedy section of your filing.

AMENDED 573 REQUIRED.

Please be reminded of the following requirements:

You are required to submit a draft owner notification letter to this office no less than five days prior to mailing it to the customers. Also, copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

Please be reminded that under 49 U.S.C. § 30112(a)(3), it is illegal for a manufacturer, to sell, offer for sale, import, or introduce or deliver into interstate commerce, a motor vehicle or item of motor vehicle equipment that contains a safety defect once the manufacturer has notified NHTSA about that safety defect. This prohibition does not apply once the motor vehicle or motor vehicle equipment has been remedied according to the manufacturer's instructions.

As stated in 49 U.S.C. § 30118(f), submission of eight consecutive quarterly reports followed by three annual reports is required. As described in 573.7, submission of the first of eight consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter. The first of three consecutive annual status reports will be due on, or before, 1 year after the eighth quarterly report was submitted.

Winnebago Towable's contact for this recall will be Kristin Lepper who may be reached by email at kristin.lepper@dot.gov. We look forward to working with you.

Sincerely,

Alex Ansley
