Subject: Engine Crossmember May Break

Dear Mr. Stephens:

This letter serves to acknowledge E-One Incorporated's notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

Makes/Models/Model Years:

E-ONE/CYCLONE II/2022-2023
E-ONE/CYCLONE N/2022-2024
E-ONE/TYPHOON N/2022-2024

Mfr's Report Date: August 30, 2024

NHTSA Campaign Number: 24V-646

Components:

ENGINE AND ENGINE COOLING:COOLING SYSTEM:FAN
STRUCTURE:FRAME AND MEMBERS

Potential Number of Units Affected: 28

Problem Description:

E-One Incorporated (E-One) is recalling certain 2022-2023 Cyclone 2, 2022-2024 Cyclone N, and Typhoon N vehicles. The engine crossmember may break, allowing the cooling fan to contact the fan shroud and become damaged.

Consequence:

A damaged cooling fan can result in an engine stall while driving and increase the risk of a crash.

Remedy:

Dealers will inspect and repair the crossmember as necessary, free of charge. Owner notification letters are expected to be mailed September 16, 2024. Owners may contact E-One customer service at 1-352-237-1122.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to www.nhtsa.gov.

Please be reminded of the following requirements:

You are required to submit a draft owner notification letter to this office no less than five days prior to mailing it to the customers. Also, copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

Please be reminded that under 49 U.S.C. § 30112(a)(3), it is illegal for a manufacturer, to sell, offer for sale, import, or introduce or deliver into interstate commerce, a motor vehicle or item of motor vehicle equipment that contains a safety defect once the manufacturer has notified NHTSA about that safety defect. This prohibition does not apply once the motor vehicle or motor vehicle equipment has been remedied according to the manufacturer's instructions.

As stated in 49 U.S.C. § 30118(f), submission of eight consecutive quarterly reports followed by three annual reports is required. As described in 573.7, submission of the first of eight consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter. The first of three consecutive annual status reports will be due on, or before, 1 year after the eighth quarterly report was submitted.

E-One Incorporated's contact for this recall will be Hensly Guerra who may be reached by email at hensly.guerra1@dot.gov. We look forward to working with you.

Sincerely,

Alex Ansley
Chief, Recall Management Division
Office of Defects Investigation
