Subject: Incorrect Tire Size on Labels/FMVSS 110

Dear Ms. Blaesser:

This letter serves to acknowledge Chrysler (FCA US, LLC)'s notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

Makes/Models/Model Years:

ALFA ROMEO/STELVIO/2023

Mfr's Report Date: November 14, 2024

NHTSA Campaign Number: 24V-857

Components:

EQUIPMENT:OTHER:LABELS

Potential Number of Units Affected: 204

Problem Description:

Chrysler (FCA US, LLC) is recalling certain 2023 Alfa Romeo Stelvio vehicles that were previously remedied under NHTSA recall number 24V-512. The tire size information on the tire placard is incorrect. As such, these vehicles fail to comply with the requirements of Federal Motor Vehicle Safety Standard number 110, "Tire Selection and Rims."

Consequence:

Incorrect tire information can result in installing the incorrect-size tires, increasing the risk of a crash.

Remedy:

Dealers will replace the tire placard label, free of charge. Owner notification letters are expected to be mailed December 19, 2024. Owners may contact FCA US customer service at 1-800-853-1403. FCA US's number for this recall is C3B. Vehicles previously repaired under recall 24V-512 will need to have the new remedy completed.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153) or go to [nhtsa.gov](https://www.nhtsa.gov).

Please be reminded of the following requirements:

You are required to submit a draft owner notification letter to this office no less than five days prior to mailing it to the customers. Also, copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

Under 49 U.S.C. § 30112(a), it is illegal for anyone, including a manufacturer, distributor, dealer, or retailer to sell an item of equipment or vehicle that fails to comply with all applicable Federal motor vehicle safety standards.

As stated in 49 U.S.C. § 30118(f), submission of eight consecutive quarterly reports followed by three annual reports is required. As described in 573.7, submission of the first of eight consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter. The first of three consecutive annual status reports will be due on, or before, 1 year after the eighth quarterly report was submitted.
