Mr. Erik Blank Manager, Product Safety Honda (American Honda Motor Co.) 1919 Torrance Blvd. Torrance, CA 90501

Subject: Driver's Seat Frame Improperly Tightened/FMVSS 207

Dear Mr. Blank:

This letter serves to acknowledge Honda (American Honda Motor Co.)'s notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

Makes/Models/Model Years:

ACURA/INTEGRA/2024 ACURA/INTEGRA TYPE S/2024 HONDA/ACCORD/2023-2024 HONDA/ACCORD HYBRID/2023-2024 HONDA/CIVIC/2023-2024 HONDA/CIVIC HATCHBACK/2023-2024 HONDA/HR-V/2024 HONDA/PILOT/2023-2024

Mfr's Report Date: November 14, 2024

NHTSA Campaign Number: 24V-859

Components: SEATS:CRITICAL FASTENERS

Potential Number of Units Affected: 121

Problem Description:

Honda (American Honda Motor Co.) is recalling certain 2023-2024 Honda Accord, Accord Hybrid, Civic Sedan, Civic Hatchback, Pilot, and 2024 HR-V, Acura Integra and Acura Integra Type S vehicles. The driver's seat cushion frame may not have been tightened properly, which can result in an unsecured seat. As such, these vehicles fail to comply with the requirements of Federal Motor Vehicle Safety Standard number 207, "Seating Systems."

Consequence:

An unsecured driver's seat may not adequately restrain the driver during a crash, increasing the risk of injury.

Remedy:

Dealers will replace the driver's seat cushion frame, free of charge. Owner notification letters are expected to be mailed January 6, 2025. Owners may contact Honda customer service at 1-888-234-2138.

1200 New Jersey Avenue SE Washington, DC 20590

> NEF-107DC 24V-859

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153) or go to nhtsa.gov.

Please be reminded of the following requirements:

You are required to submit a draft owner notification letter to this office no less than five days prior to mailing it to the customers. Also, copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

Please be reminded that under 49 U.S.C. § 30112(a)(3), it is illegal for a manufacturer, to sell, offer for sale, import, or introduce or deliver into interstate commerce, a motor vehicle or item of motor vehicle equipment that contains a safety defect once the manufacturer has notified NHTSA about that safety defect. This prohibition does not apply once the motor vehicle or motor vehicle equipment has been remedied according to the manufacturer's instructions.

As stated in 49 U.S.C. § 30118(f), submission of eight consecutive quarterly reports followed by three annual reports is required. As described in 573.7, submission of the first of eight consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter. The first of three consecutive annual status reports will be due on, or before, 1 year after the eighth quarterly report was submitted.

Honda (American Honda Motor Co.)'s contact for this recall will be Debora Crews who may be reached by email at debora.crews@dot.gov. We look forward to working with you.

Sincerely,

Alex Ansley Chief, Recall Management Division Office of Defects Investigation Enforcement
