Dear Mr. Becker:

This letter serves to acknowledge Forest River, Inc.'s notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

**Makes/Models/Model Years:**

FOREST RIVER/CEDAR CREEK/2025

**Mfr's Report Date:** November 22, 2024

**NHTSA Campaign Number:** 24V-883

**Components:**

SUSPENSION:MULTIPLE AXLE  
TIRES

**Potential Number of Units Affected:** 2

**Problem Description:**

Forest River, Inc. (Forest River) is recalling certain 2025 Cedar Creek CRT40RDE Fifth Wheel trailers. Undersized axles and tires may have been installed, which can lead to a tire detaching. As such, these vehicles fail to comply with the requirements of Federal Motor Vehicle Safety Standard number 120, "Wheels and Rims - Other Than Passenger Cars."

**Consequence:**

A detached tire increases the risk of crash.

**Remedy:**

Dealers will replace axles and tires, free of charge. The two affected vehicles have not been sold from dealer inventory and therefore no owner letters will be mailed. Forest River's customer service number is 1-260-593-4000. Forest River's number for this recall is 20-1873.

**Notes:**

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153) or go to [nhtsa.gov](https://www.nhtsa.gov).

Also, copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

Under 49 U.S.C. § 30112(a), it is illegal for anyone, including a manufacturer, distributor, dealer, or retailer to sell an item of equipment or vehicle that fails to comply with all applicable Federal motor vehicle safety standards.

As stated in 49 U.S.C. § 30118(f), submission of eight consecutive quarterly reports followed by three annual reports is required. As described in 573.7, submission of the first of eight consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs.
