**Makes/Models/Model Years:**

MASERATI/GRANTURISMO/2024  
MASERATI/GRECALE/2023-2024

**Mfr's Report Date:** November 26, 2024

**NHTSA Campaign Number:** 24V-892

**Components:**

BACK OVER PREVENTION:SOFTWARE

**Potential Number of Units Affected:** 1,710

**Problem Description:**

Maserati North America, Inc. (Maserati) is recalling certain 2023-2024 Grecale and 2024 GranTurismo vehicles. The Central Vision Park Assist Module (CVPAM) software may prevent the rearview image from displaying when the vehicle is placed in reverse. As such, these vehicles fail to comply with the requirements of Federal Motor Vehicle Safety Standard number 111, "Rear Visibility."

**Consequence:**

An inoperative rearview camera display reduces the driver's rear visibility, increasing the risk of injury or crash.

**Remedy:**

Dealers will update the CVPAM software, free of charge. Owner notification letters are expected to be mailed January 10, 2025. Owners may contact Maserati customer service at 1-877-696-2737. Maserati's number for this recall is 761.

**Notes:**

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153) or go to [nhtsa.gov](https://www.nhtsa.gov).

Please be reminded of the following requirements:

You are required to submit a draft owner notification letter to this office no less than five days prior to mailing it to the customers. Also, copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

Under 49 U.S.C. § 30112(a), it is illegal for anyone, including a manufacturer, distributor, dealer, or retailer to sell an item of equipment or vehicle that fails to comply with all applicable Federal motor vehicle safety standards.

As stated in 49 U.S.C. § 30118(f), submission of eight consecutive quarterly reports followed by three annual reports is required. As described in 573.7, submission of the first of eight consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter. The first of three consecutive annual status reports will be due on, or before, 1 year after the eighth quarterly report was submitted.
