**Subject:** High-Voltage Battery May Overheat and Cause Fire

Dear Mr. Sandvig:

This letter serves to acknowledge Volkswagen Group of America, Inc.'s notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

**Makes/Models/Model Years:**

AUDI/A7/2022

AUDI/Q5/2022-2023

**Mfr's Report Date:** November 27, 2024

**NHTSA Campaign Number:** 24V-898

**Components:**

ELECTRICAL SYSTEM:PROPULSION SYSTEM:TRACTION BATTERY

**Potential Number of Units Affected:** 4,616

**Problem Description:**

Volkswagen Group of America, Inc. (Volkswagen) is recalling certain 2022-2023 Audi Q5 PHEV and 2022 Audi A7 PHEV vehicles. The high-voltage battery may overheat.

**Consequence:**

A high-voltage battery that overheats increases the risk of a fire.

**Remedy:**

Dealers will install advanced diagnostic software as the final remedy, anticipated to be available in the second quarter of 2025. Volkswagen will monitor available online vehicle data and contact owners as necessary, to advise them not to charge the vehicle until the battery can be replaced. For vehicles in which online data is unavailable, owners are advised not to charge their batteries until the final remedy becomes available. Repairs will be performed free of charge. Interim letters, notifying owners of the safety risk, are expected to be mailed January 24, 2025. A second notice will be sent once the final remedy is available. Owners may contact Volkswagen Audi customer service at 1-800-253-2834. Volkswagen's number for this recall is 93AA.

**Notes:**

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153) or go to [nhtsa.gov](https://www.nhtsa.gov).

Please be reminded of the following requirements:

You are required to submit a draft owner notification letter to this office no less than five days prior to mailing it to the customers. Also, copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

Please be reminded that under 49 U.S.C. § 30112(a)(3), it is illegal for a manufacturer, to sell, offer for sale, import, or introduce or deliver into interstate commerce, a motor vehicle or item of motor vehicle equipment that contains a safety defect once the manufacturer has notified NHTSA about that safety defect. This prohibition does not apply once the motor vehicle or motor vehicle equipment has been remedied according to the manufacturer's instructions.

As stated in 49 U.S.C. § 30118(f), submission of eight consecutive quarterly reports followed by three annual reports is required. As described in 573.7, submission of the first of eight consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter. The first of three consecutive annual status reports will be due on, or before, 1 year after the eighth quarterly report was submitted.

Volkswagen Group of America, Inc.'s contact for this recall will be Dusty Gardner who may be reached by email at [dusty.gardner@dot.gov](mailto:dusty.gardner@dot.gov). We look forward to working with you.

Sincerely,
