Subject: Restricted Seat Belt Movement/FMVSS 207, 209

Dear Chris Deakins:

This letter serves to acknowledge Roadtrek Inc.'s notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

Makes/Models/Model Years:

ROADTREK/WESTFALIA WAVE/2024-2025

Mfr's Report Date: December 10, 2024

NHTSA Campaign Number: 24V-919

Components:

SEAT BELTS:CRITICAL FASTENERS

Potential Number of Units Affected: 60

Problem Description:

Roadtrek Inc. (Roadtrek) is recalling certain 2024-2025 Westfalia Wave motorhomes. The seat belt guide bracket may be missing from the second-row seats. The seat belts' movement may be restricted without the bracket. As such, these vehicles fail to comply with the requirements of Federal Motor Vehicle Safety Standard (FMVSS) numbers 207, "Seating Systems" and 209, "Seat Belt Assemblies."

Consequence:

A seat belt that does not retract properly may be loose and will not adequately restrain an occupant, increasing the risk of injury during a crash.

Remedy:

Dealers will install the bracket, free of charge. Owner notification letters are expected to be mailed January 13, 2025. Owners may contact Roadtrek customer service at 1-888-762-3873. Roadtrek's number for this recall is 2024-01.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153) or go to [nhtsa.gov](https://www.nhtsa.gov).

Please be reminded of the following requirements:

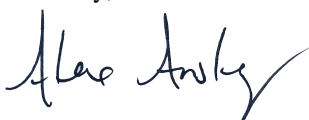

You are required to submit a draft owner notification letter to this office no less than five days prior to mailing it to the customers. Also, copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

Under 49 U.S.C. § 30112(a), it is illegal for anyone, including a manufacturer, distributor, dealer, or retailer to sell an item of equipment or vehicle that fails to comply with all applicable Federal motor vehicle safety standards.

As stated in 49 U.S.C. § 30118(f), submission of eight consecutive quarterly reports followed by three annual reports is required. As described in 573.7, submission of the first of eight consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter. The first of three consecutive annual status reports will be due on, or before, 1 year after the eighth quarterly report was submitted.

Roadtrek Inc.'s contact for this recall will be Kristin Lepper who may be reached by email at kristin.lepper@dot.gov. We look forward to working with you.

Sincerely,
