Although owner notification is not required - because the last known purchasers to BMW of the accessory side cases are the motorcycle dealers - nevertheless, BMW plans to notify R 1300 GS owners who have purchased a motorcycle as of the date of this report. These owners will be notified by First Class mail and instructed to take their accessory side cases to an authorized BMW motorcycle dealer to have the interim remedy performed for free. If this condition were to occur to a potentially affected accessory side case prior to this recall, the remedy would be covered by the BMW New Parts and Accessories Limited Warranty program. Therefore, reimbursement for a pre-notification remedy re Part 573.13 and Part 577.11 is not necessary.
