### Description of Defect :

Description of the Defect : The LP line may not be secured properly.

FMVSS 1 : NR

FMVSS 2 : NR

Description of the Safety Risk : If the LP Line is not secured properly, this can lead to a damaged LP Line potentially leading to a leak which may result in a fire, property damage or personal injury.

Description of the Cause : Manufacturing Error

Identification of Any Warning that can Occur : The LP line would be visibly hanging below the body of the unit near the rear tires.

**Involved Components :**

Component Name 1 : LP Line

Component Description : LP Line

Component Part Number : N/A

**Supplier Identification :****Component Manufacturer**

Name : NR

Address : NR

NR

Country : NR

**Chronology :**

On May 2, 2024, Corporate PDI noticed the LP line sagging near the rear tire during an inspection. The zip tie was missing allowing the LP line to droop in front of the rear wheels. On that same day, the plant added a steel P Clamp to secure the line.

On May 10, 2024, the manufacturing plant contacted Forest Rivers Office of Corporate Compliance ("OCC"). OCC began researching the same day to determine if vehicles outside of Forest River control were affected.

On May 15, 2024, Forest Rivers Office of Corporate Compliance ("OCC") determined the scope of vehicles affected.

On May 17, 2024, Forest Rivers Corporate Recall Committee voted to recall.

On June 13, 2024, the manufacturing plant contacted Forest Rivers Office of Corporate Compliance ("OCC") regarding a complaint received of an LP line not being secured properly. Further research revealed that the scope needed to be expanded to include additional vehicles.

On June 20, 2024, Forest River amended the vehicle population. All consumers and dealers will be notified.

## Description of Remedy :

Description of Remedy Program : Forest River will provide all parts and labor free of charge to Consumers and Dealers. An authorized Forest River dealer will need to perform the remedy to install a P Clamp which will secure the LP line properly.

What is the Forest River Customer Service Phone Number? (574)  
206-7600

If you have already paid for a repair that is within the scope of this defect under recall, you still need to have this recall inspected and/or performed to ensure the correct parts and procedures were utilized. Additionally, you may be eligible for a refund of previously paid repairs. Refunds will only be provided for within the scope of this defect under recall.

Please send the service invoice to the following address:

Forest River Class C  
Forest River, Inc.  
Attn: WARRANTY MANAGER  
55135 CR 1  
Elkhart, IN 46514

How Remedy Component Differs from Recalled Component : Affected Component - LP Line  
Replacement Component – Steel P Clamp

The LP Line will now be secured properly with a steel P Clamp. This is not a component failure, it is an installation error during manufacturing.

Identify How/When Recall Condition was Corrected in Production : On 5/2/2024 a steel P clamp was added to secure the line on all units.

## Recall Schedule :

Description of Recall Schedule : Forest River has the utmost urgency in our recalls. Forest River will send suspected VIN numbers to our third party vendor that is licensed to pull data on the current owner of the vehicles (as needed) once a formal NHTSA I.D. is provided. Forest River intends on pushing the mailing out as soon as NHTSA provides any correction(s) and an Acknowledgement Letter.

Planned Dealer Notification Date : JUL 12, 2024 - JUL 12, 2024

Planned Owner Notification Date : JUL 12, 2024 - JUL 12, 2024
