Revised Part and Warranty Sections

Models: 2020-2024 Chevrolet Silverado Heavy Duty (2500/3500 series)

2020-2024 GMC Sierra Heavy Duty (2500/3500 series)

To: All General Motors Dealers

This bulletin has been revised to clarify the parts section, and update the Net Item cost. A note has also been added that the procedure only disables the switch on the tailgate, however, the interior switch and key fob will still operate the tailgate. Please discard all previous copies of bulletin N232426400.

Please hold all claim submittals until February 24, 2024.
