DCSnet Message
Important

Subject: **BMW Integrated Brake System**

Due to an identified potential issue with the Integrated Brake System; we have paused shipping all parts until further information is available.

All vehicles are now Remedy Status Red X.

Please stop sending Recall IDS Tickets for the Recall 24V-104 (B34 04 23) and the new Stop Sale (B34 02 24).

All Tickets will be closed with no parts being shipped.

Please monitor DCS and the weekly parts Matrix for updates.

We appreciate your patience,
Parts Logistics
