Update - 24V-104 Integrated Brake System (B34 04 23)

Please do not install the below IB/DSCi part numbers for the recall or any other repairs. The SIB is being updated with an inspection procedure for these spare parts.

34505A8D899, 34505A8D8E0, 34505A8D8B9 or 34505A8D8A9

The procedure is being updated and a revised bulletin will be published this week.
