DCSnet Message
Urgent

Subject: **Update - Integrated Braking System**

Effective immediately, (08.09.24) IB replacements are only permitted on vehicles with an open RO, or that fail with an actual defect.

All other new and preowned dealer inventory, demos, loaners, rentals and customer vehicles are not eligible for replacement until new parts are available.

Any appointments scheduled for next week or beyond should be canceled until further notice. The Parts Team have created a mechanism for special requests via Recall IDS Tickets for vehicles that have a failed unit. FASTA data will be required per the weekly Parts Matrix.

Sincerely,
Technical Services
