

# 28B (2023-2024 Dodge Hornet & Alfa Romeo Tonale Tire Placard)

APRIL 2024

Attention Service & Parts Managers,

28B (2023-2024 Dodge Hornet & Alfa Romeo Tonale Tire Placard) remedy labels were previously distributed for all impacted vehicles for safety campaign 28B. Labels were mailed to dealers based on unsold vehicle allocation and labels were also mailed to owners with the owner letter for all sold vehicles.

There have been excessive orders placed for vehicles that were covered by the initial distribution. This excessive ordering has exhausted the available stock of replacement labels. All current backorders have been cancelled and eStore ordering is temporarily suspended.

Additional labels are expected to be in stock on 4/18/2024. Once labels are in stock, new orders may be submitted. Labels should only be ordered for a specific VIN with confirmed need.
