

SAFETY RECALL NOTICE 24v-193

To: All Grand Design RV Dealers

3/25/24

Grand Design has determined a safety defect exists in certain 2024 Grand Design Momentum and Solitude fifth wheel vehicles equipped with CURT by Lippert Components 7k & 8k axles. Accordingly, a recall to address this issue is being initiated effective 3/27/24.

Affected vehicles include **2024 Grand Design Momentum and Solitude recreational fifth wheel vehicles manufactured between July 10, 2023, and November 2, 2023.** The VIN range of affected units is:

Momentum FW	573FM4129RBB01427	to	573FM4636RBB01998 (non-sequential)
Momentum FW	573FM423XR1220050	to	573FM3723R1220286 (non-sequential)
Solitude	573FS4320RAA16310	to	573FS4328RAA17284 (non-sequential)

Grand Design RV, LLC. (Grand Design) is recalling certain 2024 Momentum and Solitude fifth wheels, equipped with certain CURT 7000 and 8000 lb. axles. The U-bolts may have been over tightened, which can cause the axle to move out of position. An axle that moves out of position can cause a loss of vehicle control and increase the risk of a crash.

Owners of affected vehicles will be notified of this recall by mail. A copy of the Owner Notification Letter is attached as well as detailed repair instructions and a VIN list of your affected units. Also attached are the claim filing instructions associated with this recall action.

Should you have any questions or concerns, please contact Grand Design Technical Support at 574-825-6264 or 888-825-2820 and select the phone prompt for "Recall".

Respectfully,
GRAND DESIGN RV, LLC
