WHAT IS THE PROBLEM?

On certain Fleetwood Discovery and Holiday Rambler Endeavor 38 N model motor homes with a Remco 50-54 REBEL 4.0 GPM, larger capacity water pump, it was determined that a water pump harness was incorrectly designed at the battery control center causing the circuit not to be properly fuse protected.

WHAT SHOULD YOU DO?

Stock units must not be sold until the recall has been completed. Owners of the above-mentioned motorhomes have been told not to contact an authorized REV Recreation Group dealer to have the described defect remedied.

In the event that you are contacted by a customer, please verify eligibility by referring to the serial number range listed in the attached **Recall Service Bulletin #240416REV** prior to beginning repairs. **Contact REV RV Technical Support at (800) 816-9825 for authorization.**

Once repairs have been completed according to **Recall Service Bulletin #240416REV**, have the customer sign your dealership's **Internal Repair Order**. Warranty labor claims are to be submitted electronically to REV Recreation Group. Customers will not be charged for these repairs.

*If you have one of these vehicles in your inventory, you will be mailed a Safety Recall Notice for that specific motorhome. **REV Recreation Group dealers are required to make repairs to stock units on dealer lots prior to sale or lease.***

Federal Law (Section 154 of the National Highway Traffic and Motor Vehicle Safety Act) of 1966 requires that: If you have received a notice of recall or failure to comply from REV Recreation Group, Inc. or any component manufacturer, you must repair or otherwise correct the defect on vehicles remaining in your inventory according to the notification before selling or leasing the vehicles. Any vehicle lessor receiving this recall notice must forward a copy of the notice to the lessee within ten days.

Please carefully review this entire package with your parts and service staff to familiarize them with the step-by-step procedure and implement the Voluntary Recall Campaign.

Thank you for helping REV Recreation Group with its continuing efforts to maintain customer satisfaction. If you have any questions, please contact your REV Recreation Group Service Center.

Sincerely,

REV RECREATION GROUP, INC.
