Dear Valued Dealer:

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act.

Jayco Inc. has decided that certain model year 2024 Jay Feather Travel Trailers fail to conform to Federal Motor Vehicle Safety Standard (FMVSS) number 110, "Tire Selection and Rims."

***Reason for  
this recall***

A 14-inch spare tire was mistakenly installed instead of the required 15-inch spare tire. The tire placard information is based on a 15-inch tire. Referring to the placard, the operator can inflate the tire to an incorrect pressure, increasing the risk of a crash.

***Recall  
Remedy***

The remedy consists of inspection and replacement of the spare tire, if necessary. The remedy will take approximately ½ hour to complete and must be performed free of charge to the retail owner.
