SUBJECT: SAFETY RECALL NOTICE – STOP DELIVERY: F1006

On **July 02, 2024**, Daimler Truck North America (DTNA) filed a Defect Information Report (DIR) with the National Highway Traffic Safety Administration (NHTSA) and/or a Defect Information Notice (DIN) with Transport Canada (TC) informing the agencies of our intent to conduct a voluntary safety recall.

It is a violation of Federal law for a dealer or distributor to deliver a new motor vehicle or any new or used item of motor vehicle equipment (including a tire) covered by this notification under a sale or lease until the defect or noncompliance is remedied. **Some of the vehicles subject to this "Stop Delivery Notice" may be in your *new* vehicle inventory.** Until further instructions are available, ***new* vehicles subject to this "Stop Delivery Notice" must be held and not be delivered to customers.**

DTNA strongly recommends that dealers and distributors remedy Recalls before selling used vehicles. For any used vehicle with an open recall not remedied before sale, DTNA requires that the dealer or distributor notify prospective buyers of the open recall.

Please ensure that registration information on vehicles subject to this recall is up to date to facilitate accurate owner notification.

Affected Vehicles in F1006:

Make	Model	Model Yr. Start	Model Yr. End	Prod. Start Date	Prod. End Date
FCCC	S2C	2023	2024	01/18/2023	06/26/2023
FCCC	S2RV	2024	2025	08/25/2022	02/08/2024

Problem: A defect which relates to motor vehicle safety, exists in certain model year 2023-2025 Freightliner Custom Chassis S2C and S2RV 106 Cab & Chassis. If the service brakes are applied during an Active Brake Assist (ABA) event, the brake lamps will not illuminate. If the brake lamps do not illuminate during an ABA event, following traffic may not observe the vehicles reduced speed or stopping, increasing the risk of a crash.

Solution: DTNA is preparing remedy, which is currently under development. Repairs will be preformed free of charge by Daimler Truck North America authorized service facilities.

Owner Notification Mailing Schedule: 09/01/2024
