Subject: **Update - BMW Recall 24V-xxx: Rear Cargo Rails**

The VIN list has been updated and most New Vehicle Inventory is now closed with no further action required. Please re-check the status of your current inventory. Vehicles which are no longer affected (show no Open Campaigns) may be delivered.

If vehicles have any other open Campaigns, they must be completed prior to delivery to the customer.

The Bulletin will be updated when more information becomes available.

Sincerely,
Technical Service
