To: Ember RV Dealer

August 30, 2024

Ember Recreational Vehicles, Inc., (“Ember”) has decided that select 2023 and 2024 Overland, Touring, and E-Series recreational vehicles fail to conform to Federal Motor Vehicle Safety Standard No.567, “Certification”.

The VINs of units affected are:

Ember Overland 7RVTV2246PA [REDACTED]

Ember Overland 7RVTV2267PA [REDACTED]

Ember E-Series 7RVTE2271RA [REDACTED]

Ember Touring 7RVTT2349RA [REDACTED]

On select Ember trailers, the certification label has an incorrect cargo carrying capacity which can allow the recreational vehicle to be overloaded.

Owners of the affected vehicles will be notified of this recall by mail. A copy of the Owner Notification Letter is attached. In the event the owner is not comfortable performing the repair we have attached dealer remedy instructions.

Should you have any questions or concerns, please contact Ember at 844-732-4204 or by email at warranty@emberrv.com.

Sincerely,
