

To: TK Dealers

NHTSA Recall Number: 24V670

Trail King Recall Number: TK202401

DATE: September 10, 2024

IMPORTANT SAFETY RECALL

This notice is sent to you in accordance with the requirements of the *Motor Vehicle Safety Act*.

Trail King has decided that a defect that relates to motor vehicle safety exists in certain 2019-2020 TKHDG Paver Special detachable goosenecks.

What Trailers are being recalled?

This recall affects Trail King TKHDG Paver Special Hydraulic detachable gooseneck lowbed trailers manufactured dates of March 2019 through June 2020 model years.

What is the Problem?

The affected trailers are a paver special hydraulic detachable gooseneck. The gooseneck lift cylinder lower mount can develop cracks and could fail during the raise or lowering of the gooseneck throughout the loading operations. If the lower mount fails, the trailer may drop to the ground increasing the risk of injury to the operator. Once in the transport position, it cannot fail due to a mechanical stop that supports the load for transport.

What should you do?

Obtain and confirm your trailer's serial number from the VIN plate located on the driver's side of the unit. Inspect the gooseneck using the inspection criteria included with this letter.

What will we do?

Trail King Industries is conducting a safety recall campaign to address this issue. Trail King will provide new reinforcements on the radius of the lower cylinder mount. Trail King will provide up to 15 hours of labor and replacement parts necessary to remedy units. Repairs will be provided for all affected trailers free of charge. Please contact your nearest Trail King Industries Customer Service Department at 1-800-843-3324 and we will send the parts needed to the dealer to repair your trailer.

Please note, that it is a violation of Federal law for a dealer to deliver a new motor vehicle or any new or used item of motor vehicle equipment (including a tire) covered by the notification under a sale or lease until the defect or noncompliance is remedied.

Sincerely,
Customer Service
