

## IMPORTANT SAFETY RECALL

November 13, 2024

Cushman FSB: 05-24

NHTSA Recall: 24V-709

Dear Cushman Customer,

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act. This notice applies to your vehicle, {Model Year} Cushman {Model} with vehicle identification number {VIN}. Cushman has decided that a defect which relates to motor vehicle safety exists in 2024 and 2025 Cushman Vehicles with hydraulic brakes.

These vehicles are subject to an issue in which the hydraulic brake linkage rod can bend in the course of aggressive braking. This condition could result in increased stopping distance and brake failure, increasing the risk of a crash without prior warning.

Please contact your authorized Cushman dealer or service center to have the hydraulic brake linkage rod replaced in your vehicle. This service requires less than 30 minutes to complete, and will be performed at no cost to you.

Until the approved service and repair has been completed, do not operate or permit anyone else to operate your vehicle. Severe personal injury may result.

If you have leased this vehicle to another party, you must send the lessee a copy of this notice, and any subsequent notices, within 10 working days after the day on which the notice was received.

If you have any questions about this matter, please contact Cushman Customer Care at 888.438.3946, then by pressing 2, then 1 and asking for information about FSB 05-24. The center is open from 8 a.m. to 6 p.m. Eastern Time, Monday through Friday. Thank you for your understanding and patience, and for being a loyal customer of our company.

Sincerely,

A handwritten signature in black ink that reads 'Jeff Miller'.
