Subject	Steering Gearbox Repair Method Update: Safety Recall - 2023-25M Integra EPS Gea						

DATE: October 18, 2024

TO: All Acura Sales, Service, & Parts Managers, and Personnel

FROM: Brad Ortloff, Manager of Auto Campaigns and Recalls

Re: **Steering Gearbox Repair Method Update: Safety Recall - 2023-25M Integra EPS Gearbox Assembly**

On October 18, 2024, the following Service Bulletin was updated to reflect a new streamlined repair method.

- 24-054: *Safety Recall: 2023-25 Integra Steering Gear Repair*

REPAIR

The repair method has bene streamlined to allow the spring assembly to be replaced and grease injected into the EPS gearbox assembly without subframe removal.
