## **New Safety Recall Advanced Communication – 86B**

FCA US LLC (FCA US) has announced a safety recall on certain 2020 through 2023 Model Year (DS) Ram 1500 Classic vehicles equipped with Power Black Trailer Tow Mirrors (Sales Code GPG) and Trailer Tow Mirrors (Sales Code LEG).

VINs identified as being involved in this campaign are currently live and searchable.  
**Stop sale is in effect for the above-identified vehicles.**

Vehicles impacted by a stop sale are eligible for reimbursement allowance through the Recall Floorplan Reimbursement Policy (RFPRP), which can be requested upon recall claim submission.

**IMPORTANT:** Some of the involved vehicles may be in dealer new vehicle inventory. Federal law requires you to complete this recall service on these vehicles before retail delivery. Violation of this requirement by a dealer could result in a civil penalty of up to \$27,168 per vehicle. Involved vehicles can be determined by using the VIP inquiry process.

### **REASON FOR THIS SAFETY RECALL**

Some of the above vehicles equipped with a driver side heated trailer tow rearview mirror may experience a detached glass from the backing plate. **Detached driver side mirror glass reduces visibility and could result in a vehicle crash without prior warning.**

The condition described above does not comply with Federal Motor Vehicle Safety Standard (FMVSS) No. 111 S.5 and S6.1 requires trucks to be equipped with outside driver side rearview mirrors that have a reflective surface. Suspect vehicles built with driver side rearview heated trailer tow mirror glass that is not properly adhered to the backing plate may become detached and no longer provide a reflective surface.

### **SERVICE ACTION**

FCA US will conduct a voluntary safety recall to replace the driver side heated trailer tow mirror glass. The remedy for this condition is not currently available. Dealers will be notified of the launch of this safety recall by way of established communication methods. This recall is estimated to launch in 4th Quarter of 2024.

We ask that you please take the time to ensure that your personnel are aware of this communication and are prepared to execute a customer friendly process for inquiries regarding involved vehicles.
