

Campaign 3A04 Maintenance Inspection with Free Oil Change Extended to September 30, 2025

2022 - 2024 Hayabusa Front Brake Master Cylinder

Affected Models:	2022 ~ 2024 Hayabusa (GSX1300R_M2~M4) Motorcycles
Affected Departments:	Management, Service, Warranty, Sales, Parts, Accessories
Reference:	GS/GSX/GSX-R No. 266 – Safety Recall Campaign 3A04 2022 ~ 2024 Hayabusa Front Brake Master Cylinder Replacement

Suzuki Motor USA, LLC, is pleased to announce that the one-time free maintenance inspection and ECSTAR oil change that has been offered to customers of 2022 ~ 2024 GSX1300R (Hayabusa) motorcycles affected by Safety Recall Campaign 3A04 has been extended from March 31, 2025 to September 30, 2025.

However, please note the following:

1. This free maintenance check can only be provided when the affected unit is in your dealership for the campaign repair.

Note: This free incentive offer is not flagged in the Suzuki Connect Vehicle Mastery Inquiry.

2. Suzuki's ECSTAR R9000 Full Synthetic Oil Change Kit, **P/N 990A0-01E40-4KT**, must be used for this service.

Note: If you have the OEM (ECSTAR) components that make up this oil change kit, it can be substituted in lieu of the actual kit.

ECSTAR R9000 Full Synthetic Oil Change Kit
P/N 990A0-01E40-4KT

This parts kit **is available** for immediate order from Suzuki, so be sure to order the kit as soon as you have scheduled the campaign repair for your customer's motorcycle.

If you have any questions about this oil change and maintenance check service, please contact Suzuki Tech-Line 714-996-7480.
