

MACK TRUCKS RECALL ALERT

Subject: Safety Recall SC0471, Non-DOT Tested Tires
Recall Number: SRA-M471
Date: October 21, 2024
Applicable Markets: U.S. Canada Export

Description

Certain vehicles may have been built with non-DOT tested tires, as required by FMVSS 119. Tires that are not confirmed with appropriate DOT standard testing may have a failure which could result in an accident.

There have been no field reports, warranty claims or customer complaints associated with this issue.

The tires will be inspected and non-compliant tires will be replaced.

Model and Model Years Affected

- Certain 2018-2025 Mack Granite model vehicles manufactured November 1, 2017 through June 24, 2024.

Vehicle Quantities

- 49 vehicles (all US)

Dealer Responsibilities

- The National Traffic and Motor Vehicle Safety Act and Canadian Motor Vehicle Safety Act require dealers to ensure that all new and used vehicles are free of safety defects and comply with all relevant safety standards at the time of delivery to the consumer.
- Dealers should make their personnel aware of the safety recall. In the event that a dealer has a vehicle included in the safety recall in their inventory to be sold, the condition must be corrected before releasing it to a customer.

Notification Release Schedule

- Vehicle list will be posted on the Trucks Dealer Portal October 21, 2024.
- Owner notification letters will be released on or before December 10, 2024.
- Repair Instruction will be released once they are available.
