### **WARRANTY REIMBURSEMENT:**

A notice of this recall has been sent to all affected retail owners. A copy of the notice is included for your review. You may be contacted by a retail owner, and they may request that you complete the repair. If so, please follow the warranty reimbursement procedure. If any of the units are in your inventory, or if you are requested to perform the repair for a retail customer, please complete the repair advised and send in a warranty claim referencing this recall number for reimbursement. The time allowed for repair is 3 hours.

### **SERVICE ACTION:**

The correction for this error is to install taller equalizer suspension components in the axle area.

Sincerely,

Sean Andrews  
Vice President of Service Operations
